## Questions 1

**What do local public libraries need to get this process going in as many places as possible? (Training/materials/leadership/coordination/funding, etc.)**

**Which of these are already in place, or just need expansion, modification?**

## Questions 2

**What assets do current team members bring to filling these gaps?**

**What allies/partners are needed to start to provide these?**

**What are the first steps?**

**When will they be done (meeting times, outreach plans, etc)?**

**What tools, materials, events, would you like to be provided nationally to assist in this process?**
