Wild Card

Wild Card

Wild Card #1

The most tech-savvy member of your team got an offer she couldn't refuse to go work at Chattanooga Public Library. She's leaving in 10 days.

- *Challenge:* the team will lose her technology expertise for training others on the team

- *Opportunity:* others on the team may be empowered to step up

Wild Card #2

Your library got a grant for $10K additional funds to spend on this project.

- *Opportunity:* You can now purchase some equipment (hardware, software, other materials) you thought you couldn't afford.

- *Challenge:* You now also need to train staff on the new equipment.

Wild Card #2

Your library got a grant for $10K additional funds to spend on this project.

- *Challenge:* You now also need to train staff on the new equipment.

Wild Card #3

The Board likes what you're doing so much, they want to expand this program to all ages. They'll find the money for any additional equipment needed.

- *Opportunity:* you will be able to engage your community more broadly and even plan some cross-generational programs.

- *Challenge:* you need to show the Board how you will scale the training for staff.
