## How to Support:

You can support the Millvale Community Library's Tool Lending Library multiple ways!

We need volunteers to staff the lending library so that we can hopefully expand the Tool Lending Library's hours.

We are still working to complete our tool collection. Specific tools we are still looking for include a table saw, lawnmower, pressure washer, air compressor, finish nailer, 18-20V cordless drill, right-angle drill or multi-tool, sliding compound miter saw, rototiller, sump pump, plumber's snake, post hole digger, tiller, and car ramp set.

You can make a financial donation to the Tool Lending Library to help us repair and improve our tool selection. Make checks out to Millvale Community Library: Tool Lending Library or donate with a credit card on our website, <http://millvalelibrary.org/about>
