

# You have what it takes to meet the challenges in today's library.

At WebJunction.org library staff are building the skills we need to stay relevant, even in tough times. And because **[state library]** is a WebJunction Partner, all WebJunction courses and webinars are FREE to anyone in our state.

## Self-paced Courses

- Choose from over 400 titles, take as many as you want
- Topics include library basics, software, customer service and more
- Anytime learning that fits your schedule
- Learn at your own pace in a supportive environment that you control
- Print completion certificates based on learning assessment

## Live Webinars

- Timely topics on trends and changes impacting library services and patron needs
- World-class experts and presenters sharing advice and new ideas without the time and cost of travel
- Early registration and attendance certificates, join as many as you want
- Learn and chat along with hundreds of fellow library staff

At **WebJunction.org**, you can also find helpful articles, handouts, worksheets, videos and archived presentations on the full range of library practice. And when you join, you'll be a part of a community of other library staff, so you don't have to learn on your own.

*Premium access to all of WebJunction's continuing education resources is sponsored by **[state library]**. To get started, just visit [WebJunction.org/find-training](http://WebJunction.org/find-training). Membership is free, all are welcome, and we're always on.*
