

Welcome!

The webinar will begin at
2:00 Eastern/11:00 Pacific

Audio broadcast—volume

Today's audio is streaming over your computer's speakers or headphones.

You can adjust the volume on the Audio broadcast box:

If you hear an echo or are disconnected from the audio:

Select **Leave Audio Broadcast** or **click X** to close box(es). Then rejoin.

Chat Option

- If you have technical difficulties, please chat privately with “WJ Support.”
- Please post your questions to “All Participants.”
- Please paste to chat your links to relevant resources.

Step 1: Type in the **dialog box**.

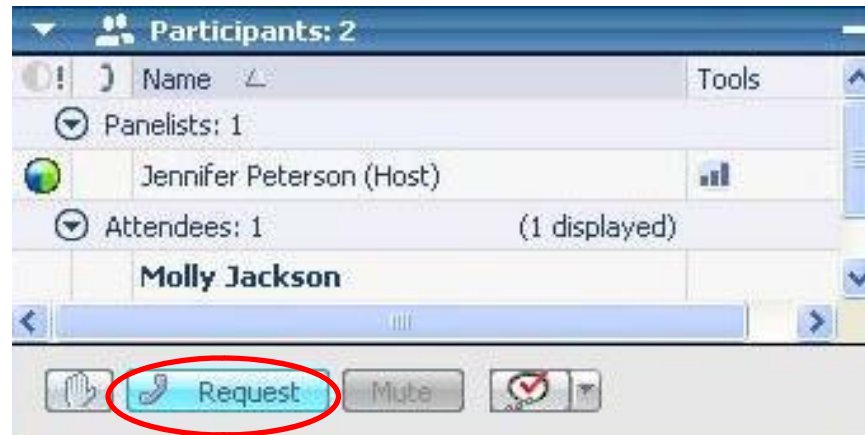

Step 2: Select **recipient(s)** from dropdown option.

Step 3: Click “**Send**” button.

If needed, access audio by telephone

If you cannot or do not wish to listen to today's audio via your computer, please follow these steps to join by telephone.

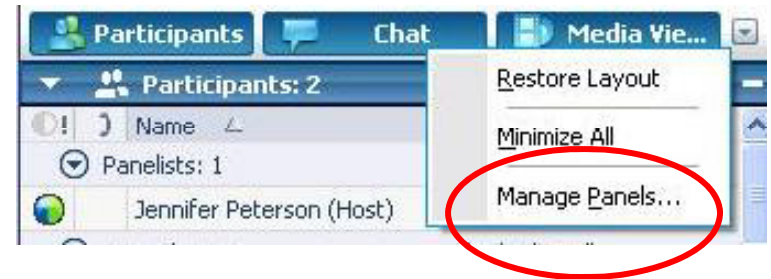

Click on **Request** under the participants list.

You will be provided with a toll-free number. Be sure to enter **#** following each of the operator's requests for **Access Code** and **Attendee ID**.

Customize your experience

- Panels can be minimized or expanded
- Hover over edge of panels to drag and resize
- Size can be adjusted or presentation can be viewed “full screen”
- Use this menu at bottom right to return to panel view

Closed Captioning is available

- Access via the **Media Viewer** on your Panel options.
- You may adjust the **font size and type** for captions.
- Then select **Show/Hide Header** in the bottom right corner.

Remember to chat privately with
WJ Support if you need technical
assistance.
